

ACBSP ACCREDITATION COUNCIL FOR BUSINESS SCHOOLS & PROGRAMS

May 19, 2021

Prof. Marjan I. Bojadjev, PhD
Rector
University American College Skopje
Blvd. Treta Makedonska Brigada No. 60
Skopje, Former Yugoslav 1000

Dear Rector Bojadjev:

The Board of Commissioners of the Baccalaureate/Graduate Degree Commission met on May 19, 2021 and voted to grant Conditional Accreditation to the business programs at the University American College Skopje.

Place a Condition on Standard 5 - The organization needs to submit the following in the next status report: Submit Figure 5.1, 5.2, and 5.3 for all faculty teaching on the programs for the self-study year, submit figure 5.5 in order to provide evidence for faculty teaching loads, submit the corrected figure 5.6 in order to validate the scholarly and professional activities of all faculty involved in the deployment of their programs. This should include information on the self-study year and the two years prior to the self-study year.

Note on Criterion 4.3 - The organization needs to identify and implement appropriate measures which yield external comparative data over time for all of their programs. This may allow the organization to benchmark learning objectives, processes and results and improve overall performance.

Note on Criterion 4.4 - The organization needs to document specific improvements it has made to the business programs based on information obtained from its learning outcomes assessment results for all accredited programs. This may include information from the newly implemented Peregrine assessments.

Conditions and notes indicate that either the Standard or Criteria is not fully met and should be viewed as an opportunity to move your program to a higher level of excellence. It would be extremely rare that a school receive accreditation without these conditions or notes given ACBSP's Core Value of Continuous Improvement and Organizational Learning, that "Business schools and programs should pursue regular cycles of planning, execution, and evaluation of every process and system.

Ongoing improvement of these processes and systems leads to ever higher quality and student/stakeholder satisfaction."

Progress on the notes must be reported in future reports. You are encouraged to work with Dr. Kristina Collins on the removal of the notes and conditions. Dr. Collins may be contacted at collinskl@tiffin.edu.

Your first status report is due 2/15/2023. Your ten-year reaffirmation will be due in 2031.

ACBSP will inform the public of decisions on accreditation status made by the Boards of Commissioners by posting the accreditation decisions on the ACBSP Website. The decisions on accreditation status can be accessed from www.acbsp.org/?page=decisions and will appear as the following:
